

5 YEAR WARRANTY

PRESENTER PRO CLR® 2 SERIES

The Presenter Pro CLR® 2 is a portable ceiling light rejecting front projection screen for ultra-short and short-throw projectors. Its compact folding-frame design makes it a travel friendly solution for bright room environments. It assembles with ease and includes a pair of height adjustable legs for additional stability and support. The CLR® 2 material's lenticular structure specializes in negating the washout effect caused by overhead light sources. This technology allows the CLR® 2 material to display contrast-rich images for a superior picture performance. It has a scratch-resistant coating that is easy to clean and will protect the material through many years of use.

Screen Material

- CLR® 2 Ceiling Ambient Light Rejecting material absorbs up to 90% of overhead light
- Compatible with bottom mounted Ultra-short and Short throw Projectors
- Optical lenticular micro-structure filters out ceiling light to display bright colorful projection images in bright room environments
- Black backing eliminates light penetration for a brighter picture
- Black masking borders enhance picture contrast and absorb projector overshoot
- 4K Ultra HD, Active 3D, and HDR Ready
- ISF Certified for Accurate Color Reproduction
