

5 YEAR WARRANTY

PROAV GOLF ELECTRIC SERIES

The **ProAV Golf Electric** is a Motorized Retractable Impact Screen that has a unique space saving design ideal for multi-purpose rooms. Its innovative space-saving design provides golfers with stunning image clarity and a seamless setup—without sacrificing floor space or committing to a fixed, permanent bulky enclosure. It's the perfect blend of performance, convenience, and modern room efficiency.

Screen Material

- ImpactWhite® 250 Golf Impact front projection screen material
- Wide 170° viewing angle allows viewers to see a clear bright picture from any angle
- Compatible with short-throw and standard throw projectors
- Withstands ball speeds up to 155 mph.
- Tightly woven polyester material minimizes impact noise and ball bounce back.
- Maintains exceptional clarity and sharpness
- SWAPTEX™ – design enables fast, swappable impact screen for hassle-free maintenance and less downtime
- Full enclosure with swiveling side panels for easy installation
- ISF Certified for Accurate Color Reproduction

Design & Control System

- Durable steel housing includes a pair of 12" L-brackets for easy install and safe wall clearance
- Eliminates the need for a bulky, permanent simulator bay
- Keeps garages, bonus rooms, and shared spaces fully functional when the screen is not in use
- Sandbags included to weigh down bottom bar and side panels
- Includes handheld (RF) Radio Frequency remote control, and a wall box controller for manual on-wall operation.
- User-friendly programmable vertical drop position
- Built-in selectable channels allow one RF remote programming
- Wired or Wireless 12V trigger capability via remote or wall box
- 5-year manufacturer's warranty
