5 YEAR WARRANTY

WHITEBOARDSCREEN™ THIN EDGE SERIES

The versatile combination of whiteboard and projection screen features an improved thin-edge design with accessories tray. This is the ideal presentation tool for your training facility. It is a leading edge combination of two essential classroom visual aids. The *WhiteBoardScreen™ Thin Edge* (TE) functions as a theater-grade projector material with a full lambertian diffuser that also serves as a dry-erase writing surface. It is bordered with an ultra-thin black frame that protects the edges while enhancing perceived visual contrast. As with traditional whiteboards, it also features a magnetic surface to allow attachments to the screen's surface. (Non-magnetic models ONLY available in some sizes)

Screen Material

- VersaWhite 1.1 Gain projection surface is coated with a transparent optical nanotech dry-erase writing layer
- Provides true color reproduction and contrast enhancement over conventional whiteboard
- Active 3D, 4K Ultra HD, and HDR Ready
- Wide diffusion uniformity allows viewers to see a clear picture with equal brightness over a 180° viewing angle.
- Compatible with ultra, short and standard throw projectors
