

YARD MASTER PRO SERIES

The **Yard Master Pro** is an outdoor or indoor folding-frame projection screen. Its lightweight yet durable aluminum frame allows it to be setup effortlessly. Its free standing design allows it to be portable and versatile for all types of applications.

The Yard Master Pro includes both front and rear projection materials for easy convenient projection set-ups. Material stretches over the frame to create a uniform flat and taut projection surface. A carrying bag is included for travel and storage.
