

YARD MASTER PRO 2 SERIES

The **Yard Master Pro 2** is an outdoor or indoor folding-frame projection screen with variable height settings to accommodate large venues. Its lightweight yet durable aluminum frame allows it to be setup effortlessly without the use of any tools. A drape kit is included with the Yard Master Pro 2 in order to provide an elegant and professional appearance. The Yard Master Pro 2 includes both front (CineWhite®) and rear projection (WraithVeil®) materials for easy convenient projection set-ups. Each projection material includes a sleeve for protection.

Screen Material

- CineWhite® 1.1 Gain front projection matte white material with wide diffusion uniformity
- Black backing eliminates light penetration (CineWhite®) for superior color reproduction
- WraithVeil® 2.2 Gain rear projection material
- Black masking borders enhance picture contrast and absorb projector overshoot
- Buttons on edge of the screen material snap on to frame
- Corner pull-tabs on material allows it to stretch for an easy installation
- Available in diagonal sizes 145", 180" and 200" in 16:9 HDTV aspect ratio

Design & Operation

- Strong, lightweight collapsible frame with detachable T-legs
- Tool-free design is easy to setup and breakdown
- AT legs included for additional support
